**Subject:** 2024 RFP Reminders & Updates

Hello Community Partners,

The Spokane County Housing and Community Development Team wants to remind you there are only **8 days remaining** in the 2024 RFP application period! Our cutoff for addendums was close of business February 27<sup>th</sup>, therefore no more changes will be made to the 2024 RFP or FAQ documents.

In addition, a few minor updates were made earlier this week to the homeless services and affordable housing applications. In the affordable housing application, the CFA form is no longer required for submission and a spot was created to upload additional supporting documents. For the homeless services application, an unnecessary sheet was removed from budget template. These changes can be found in Neighborly as well as on our website under Current RFP - Application Resources.
