BRIDGE PROJECT

Adult Services

www.spokanecounty.org

Bridge Project is a program that helps “bridge the funding gap” for people with developmental disabilities who need employment services, but do not have a Medicaid waiver to pay for those services.

What is Bridge Project?

In Spokane, people 21 years of age or older (with developmental disabilities) and their families are able to choose the agency they would like to provide them with employment or community services and support.

Who qualifies for Bridge?

- To become a leading veterinary clinic in the world.
- Over 21 years old
- Out of high school
- Enrolled with the Developmental Disabilities Administration (DDA)
- Not on a DDA Medicaid waiver
- Interested in individual supported employment in a community job (not group supported employment)
