Behavioral Health Facilities Program

The Basics

General Program Information

- **Grants are issued to:**
 - Community Hospitals
 - Community providers of behavioral health services to include:
 - City, town and county governments
 - Tribal governments or enterprise
 - Nonprofit organizations
 - For-profit business
- **Grants awards must increase capacity for behavioral health services**
 - New beds, recliners, and/or outpatient facilities
- **Grant rounds are planned for the autumn and spring of each year, as funding is allocated by the legislature.**

Grant rounds are planned for the autumn and spring of each year after funding is allocated by the Legislature.

General program information

Grants reimburse capital costs

- Construction
- Capitalized equipment
- Acquisition of buildings and land

Require a 10-15 year commitment period

- Deeds of trust
- In-house monitoring
- Monitoring partnerships with other state agencies

Grant rounds are planned for the autumn and spring of each year after funding is allocated by the Legislature.

How Are Projects Selected and Located?

Factors in Selecting Projects

- **Legislative Requirements**
 - Regions
 - Specific Facility Types & Numbers of Facilities
- **Regional Need**
 - Applicant Perspective
 - HCA/DSHS/DOH Perspective
- **Project Readiness**
 - Site Identification
 - Complete Funding Commitments
- **Fund Availability**
 - Fall & Spring Application Rounds

Factors in Locating Projects

- **Locations are determined by applicants**
 - Construct a new facility
 - Renovate a current facility
 - Expand a current facility
 - Acquire a property
- **Local governments have a role**
 - Permitting and zoning
 - Essential public facilities siting
 - Letter of certification for zoning
 - Partnerships with providers
- **BH-ASOs have a role**
 - Letter of support for applications required
