HCD will host two separate technical assistance workshops (please see our webpage for more information on the second TA workshop February 6, 2024) with the intent to support applicants during the application process and address applicant questions. Interested parties should plan to attend one of the two workshops. Staff will cover the same material during each workshop.

This purpose of this meeting is to support and offer technical assistance to our community partners planning to submit applications.

Please visit our website <https://www.spokanecounty.org/1232/Housing-Community-Development> for more information and details regarding the second Technical Assistance Workshop.

Please let me know if you have any questions.

Thank you.
